## Window Treatment Seamstress Job Description

We are always looking for experienced window treatment seamstresses. We are a leading manufacturer of privacy curtains, window treatments, and bedspreads for the healthcare industry.

Contact: Marisol (bilingual), [marisol@hcinteriors.com](mailto:marisol@hcinteriors.com), 214-350-0468

Location: Carrollton, near 35E and 635.

Hours: 7:00am-3:30pm, Monday-Friday, 40 hours/week.

Experience: 5+ years as a drapery and/or valance sewing operator.  
Or 5+ years as a cornice board upholsterer.

Equipment: Industrial sewing machines, overlock, double needle.

Wage: Negotiable, depending on experience.

Language: Bilingual (English / Spanish) a plus, but not required.

Safety: Large production space to ensure proper social distancing, daily screening of employees and visitors, masks required, staggered breaks, frequent cleaning.

Please do not apply unless you share our Core Values. Our team members:

1. Care for our customers
2. Are accurate and thorough
3. Work hard and be dependable
4. Eagerly learn and teach
5. Contribute to a positive work environment
6. Treat everyone with respect
